Template response to secondary care work transfer

Dear

Re: **Patient details**

I refer to your request for this practice to undertake ..... (insert work requested).  
I enclose a copy of your request (optional).

I am sorry that we are unable to undertake this work for the following reason(s):  
(Use as appropriate)

- The task(s) is not an essential service as per our GMS/PMS contract
- This work has not been commissioned by our CCG
- This work has not been fully funded as a national or local enhanced service
- This work is more appropriately provided by yourself as a specialist

You will be aware of the current pressures on General Practice and we are unable to undertake un-resourced or inappropriate work that is outside our contractual responsibility and which will, as a result jeopardise our core duty of care to patients.

We have informed the patient that this work is not the responsibility of the practice and would be grateful if you would contact them directly to provide the service.

Thank you for your understanding.

Yours sincerely
