Request for Confirmation of Identity, Address, Fitness to Travel etc

Dear

South Staffordshire Local Medical Committee is a representative body for GPs.

You recently instructed the patient of Dr..... to attend for

Whilst a GP can be used to perform this function South Staffordshire LMC feels it is an inappropriate use of valuable GP time which should be used for clinical purposes.

A charge of £..... has been made by the GP because this is a private matter which we hope you will reimburse the patient.

We would be grateful if you could consider other individuals for this purpose before directing your request to a GP.

Yours sincerely

Dr D Dickson
South Staffs LMC Secretary
