

## **Partner/Salaried GP Vacancies at Trent Meadows Medical Practice** **Sessions available 6 – 8 per week**

A growing population and restructuring of the partnership towards a GP Consult model means we have an opportunity for a Salaried GP to join our team. At Trent Meadows Medical Practice, our passion is to provide the best possible healthcare to our patients. We are a friendly team looking for likeminded people who can help us make a real difference to our patient's lives.

### **The Job:**

The successful candidate will work with our whole team to deliver the highest quality primary care services. More specifically, the Salaried GP will be responsible for assessing patients, working with our multidisciplinary team undertaking the clinical duties and responsibilities associated with working as a General Practitioner in line with GMC and RCGP standards.

### **Practice Details:**

We are currently serving over two sites both situated in areas of new expanding housing developments, attractive leisure facilities and schooling.  
Locations: Trent Meadows Medical Practice, Burton on Trent, DE14 3EY  
Branch Site: Stretton Medical Practice, Stretton, Burton on Trent  
List size 10650 and expanding.

### **Why Join our Team:**

Located in the picturesque semi-rural area of Burton on Trent, Just off The A38 and commutable distance from Birmingham and Derby.  
Working as a GP consultant model within a supportive team of AHPs including Nursing, Clinical pharmacists, ANPs, Social prescriber, HCA, 5 Partners and a salaried GP.  
Paper Free, Reduced workload, No private reports and very minimal pathology and documents.  
Acute visiting service currently available, Fewer Home visits and reduced admin work.  
GMS Practice, consistently CQC Rated "GOOD" and High QoF outcomes.  
Training practice with Opportunities for Training and development.  
Protected Learning Time every month.  
Strong back office team for IT, Data processing and secretarial support.  
Close working relationship with DNs, HV, Hospice team and Midwife.  
Mentoring support available for newly qualified GPs.  
Excellent patient feedback from our last GP Survey.  
Purpose built premises with car park on site.

### **GP Package:**

Competitive salary.  
Salary dependent on experience – negotiable.  
BMA Model contract for salaried GPs.  
Indemnity top up over and above state indemnity scheme.  
NHS pension contributions.  
32 days NHS package of paid annual leave.  
Other benefits include sick leave, study leave, maternity leave.  
Reimbursement for appraisal Toolkit  
Start date Negotiable.

**What do you need?**

GMC registration with Licence to practice.  
Registration on the NHS Performers List.  
Experience in using EMIS and Docman ideal.  
Strong interpersonal and communication skills.  
Flexible and good team working skills.  
Organised, clinically effective and efficient.  
Passionate about Primary care.

**Our team is enthusiastic, friendly and we want to make a real difference to our patients – come and be a part of the team!**

We Welcome enquiries from like-minded GPs with a passion for primary care and doctors at the start of their career.
