Overview

Applications are invited for a Salaried GP at Gordon Street Surgery. We are a friendly practice with approximately 10,800 patients. The successful applicant will manage a caseload and deal with a wide range of health needs in a primary care setting, ensuring the highest standards of care for all registered and temporary patients. The post-holder will have good clinical, IT and interpersonal skills and be willing to upskill according to need. Previous GP Practice experience is essential, additional training can be offered where needed.

You should be

The post-holder will manage a caseload and deal with a wide range of health needs in a primary care setting, ensuring the highest standards of care for all registered and temporary patients. In addition to maintaining continued education through attendance at any courses and/or study days necessary to ensure that professional development requirements for PREP are met, the post-holder will participate in any training programme implemented by the practice as part of this employment, with such training to include: Participation in an annual individual performance review, including taking responsibility for maintaining a record of own personal and/or professional development Taking responsibility for own development, learning and performance and demonstrating skills and activities to others who are undertaking similar work.

We are

Gordon Street Surgery is experiencing exciting times as we have recently undertaken new Management structure. We have a Practice Manager. Reception is lead by our Reception Manager who supports a team of 9 receptionists. We also have an Administration Manager who supports 2 Administrators and a Medical Secretary. We operate from purpose built premises with staff parking facilities.
