

THE TUTBURY PRACTICE

Tutbury, Staffordshire

Dr Howard D Skinner

Dr Michael G Salwey

Dr Lucy J Ambrose

Dr Enas Darwish

Due to the relocation of our Senior Partner we are seeking to appoint a full time Salaried GP with a view to becoming a GP Partner, or GP Partner, to join our friendly Practice in late summer or autumn 2022. We are looking for the right person to contribute to our evolving team approach to healthcare.

The practice serves circa 8200 patients from an NHS owned Health Centre. We are active in our local Primary Care Network, and have an interest in Research and GP Training.

In addition to the GP partners we have two Salaried Doctors, experienced Practice Nursing Team, Practice Pharmacist and Practice Administration and Reception Team.

We aim to develop our whole to team to reach their potential and hope that we can recruit a like-minded GP to join us. We believe that our approach will help us manage the challenges of General Practice and offer a service that meets the healthcare needs of our population.

For further information or to apply in writing please contact the Practice Manager, Rachael Brown, The Tutbury Practice, Monk Street, Tutbury, Staffordshire, DE13 9NA. Tel: 01283 812210

Closing Date April 29th 2022
