GP Partner/Salaried GP with a view to Partnership

Owing to an expanding list size and retirement of a Partner in October 2018, we are seeking to appoint a Full Time Partner/or Full Time Salaried GP (with a view to partnership) to join this large, friendly and well organised GMS Training Practice. We are currently over two sites both situated in areas of new expanding housing developments, attractive leisure facilities and schooling through to degree status at Burton and South Derbyshire College.

- 11,850 list size and expanding
- Seven Partners – (two Full Time and five part time).
- Partner Seven Weeks holiday plus one week study leave – Salaried GP BMJ Contract Holidays and Training
- OOH after 6pm currently contracted to Staffordshire Doctors Urgent Care Ltd
- Evening opening hours offered as a Direct Enhanced Service by rotation and no Saturday working – although the latter is in negotiation with our Federation East Staffordshire Primary Care Partnership Limited under Extended Hours
- Supportive Nursing team – Nurse Practitioner, 3 Nurses and a full time Health Care Assistant (FTE 4.36)
- Excellent Management, reception and administration teams
- Training Practice (Registrars and FY2s) with good support
- GP partner representation on Local CCG board, LMC and Co-operative group – member of GP Federation
- EMIS Web clinical system.
- Purpose built modern sites - the larger with expansion space to develop services as Primary Care changes
- CQC rated “GOOD” and High QoF Achievers year on year
- Starting Date Negotiable – informal visits and enquires welcomed
- Visit – www.trentmeadowsmedicalpractice.co.uk
